

“Let’s BEE Happy”

N.C. Museum of Natural Science

Downtown Raleigh, corner of Jones and Salisbury Streets

Saturday, September 20, 2008

IT’S FREE!

FIRST 300 cubs receive a cool patch!

Once again the Occoneechee Council is teaming up with the folks from the N.C. Museum of Natural Sciences for an exciting day of fun and learning opportunities. From delicious bug-filled delicacies at the Café Insecta to a “roaring” speedway contest at the Roachingham 500, the day will be filled with excitement for all. Mark your calendar for this upcoming event at the museum.

Check-in: 9:00 a.m. – Capitol Grounds (all scouts)

Museum Program: 9:00 a.m. – 5:00 p.m. (on the plaza and inside the museum)

Cub Scouts: Cub scouts, parents and leaders will have an opportunity to visit the many displays to complete the 2008 Bug Fest Scavenger Hunt. Patches will be available at the check-in table upon completion of this activity along with an optional take home insect picture collection kit.

Boy Scouts: All boy scouts will have the opportunity to gather information to complete some of the requirements for the Insect Study merit badge. Each scout will receive a worksheet at check-in and is asked to work on their own by visiting the displays in the museum and completing the appropriate questions. This merit badge is a partial only; items #3, 5,7,10 cannot be completed at the museum. There will be museum staff available to answer questions only. Scouts should bring a merit badge book and pencil. A blue card and patch will be issued.

Additional evening programs are available to the public until 9:00 p.m. Please visit the museum web site for more museum events. Look forward to seeing you there!!!!
